Summary

[Enthusiastic Information Technology student seeking a summer internship in Information Technology or Software Engineering. Strong foundation in programming, problem-solving, and adaptability to new technologies. Eager to apply academic knowledge in a dynamic and collaborative environment, with excellent communication and teamwork skills. Ready to contribute to innovative projects and gain practical experience in the field.]

Experience

[**Produce Associate**], [PAT supermarket], [Thornhill, Ontario] [Year 2023]

[As a Produce Associate, I excelled in curating appealing and high-quality displays of fruits and vegetables. With a keen eye for detail, I ensured the freshness of produce while expertly packaging items for storage. Committed to maintaining a positive shopping environment, I contributed to a welcoming atmosphere in the supermarket. My dedication to exceptional service and passion for fresh produce made my experience as a Produce Associate both rewarding and valuable.]

Education

[**Information Technology**], [York University], [Toronto, Ontario] [Years 2019–Present]

[**High school Diploma**], [Cardinal Carter Academy for the Arts], [Toronto, Ontario] [Years 2015–2019]

Project

[**iFixit Fast Fix**] [Year 2023]

[Led the iFixit Fast Fix project, creating globally accessible instructional guides for diverse audiences. Demonstrated strong communication and technical skills by translating complex repair processes into clear, user-friendly steps. Empowered individuals worldwide to confidently perform repairs.]

Community Service

[**Orchestra Member**], [Sohrae Youth Orchestra], [Toronto, Ontario] [Years 2014–2017]

[Attended weekly rehearsals to practice and play classical pieces in harmony. Demonstrating strong teamwork and dedication to achieve high-quality performances. I also performed multiple times at the Toronto Center for the Arts, demonstrating strong musical skills and dedication to achieving high-quality performances.]
